LEGAL DISCLAIMER :

We have made our full effort to ensure that information contained in this brochure is accurate at time publication. Peax requests that you consult Peax or authorized dealers, distributors or with company before placing any order to confirm current information on particular product, as Peax holds right to make changes without any prior notice. Peax will not be liable for any damage, loss or injury, whatsoever, arising from any errors or omission from out product or brochure. Images shown in this catalog is indicative only. If there is inconsistency between the image and the actual product you receive, the actual product will govern.

NOTE :

1. There can be colour variation in material from different batches. It is advisable to use same batch material to avoid color variation. 2. Actual colours of Peax may slightly vary from the samples pasted in this brochure. 3. There is no guarantee or warranty fo any bubbles, cracks, delaminating or any issues after installation of the product.

About Us

Peax has been providing world class decorative **Acrylic laminate** sheets.

Our team of experts is dedicated to the quality and timely production with zero depletion and zero failure.

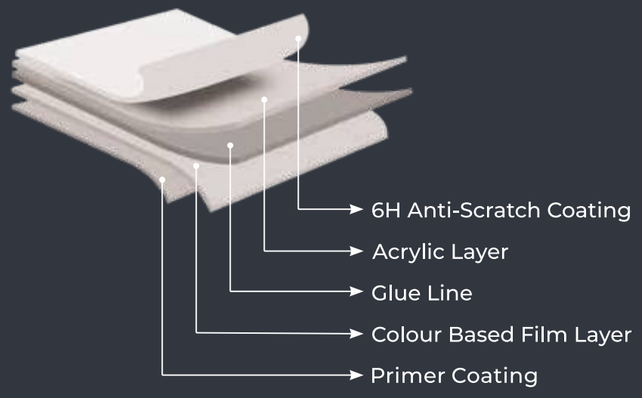

Every year we personally look into the productions to bring out creativity and fresh designs with all new patterns. Our products not only highlight the ornamentation but also add a tincture of freshness in every thing around!

Peax is a world where your space is our priority!

Please remove protective film within 7 days of installation

What's Inside Peax?

Light Weight	The flawless design structure of our acrylic sheets is engineered to be extremely light weight and easy to apply.
1.5 mm Thickness	Advanced processing procures the right amount of manufactured thickness which provides forever strength to the laminate sheets.
Durability & Strenght	Our acrylic sheets developed with technologically advanced processing are Anti-Scratch and stain resistant.
Termite & Borer Free	The advanced sciences enable our acrylic sheets to fight against termites and borers for several years.
Water & Stain Proof	Our 6h acrylic sheets are manufactured to repel water and stains for a long time.
Ideal for vertical Application	The exemplary adhesion properties enables our collection of acrylic sheets to be presented in vertical.

Technical Specifications

Thickness	:	1.50 mm (+/-10%)
Standard Sizes	:	1220 mm x 2440 mm
Application	:	Kitchen, Work tops, Tables, Doors, shelves, Cabinets, Trolleys, Bathroom, Work Tops, Furniture, Wall Lining and Horizontal Surfaces, Lockers, Cabinets, Trolleys, Commercial, Hospitality & Restaurant Tables, Counter Tops, Doors, Cubicles, Wall Cladding & Partition.
Lamination	:	Proper substrates must be used and careful bonding procedure must be observed. Substrates should be of good quality plywood, PVC Board, high density particle board or good quality fiber board etc. The face of the substrates must be smooth and free of grease, wax, dust, chips and other foreign matter.
Cutting & Machining	:	These laminates can be cut by using sharp diamond blade cutter only. We recommend the use of smooth file to feather all corner edges.
Maintenance	:	Any cleaning agent containing acids, alkalis or abrasive should NOT be used to clean the laminate. Exposure to sunlight should be avoided.
General Use & Care Guide	:	PEAX Laminates are manufactured with aesthetics and durability in mind. When used as recommended and with appropriate care, our laminates will last through the years. PEAX Laminate are easy to maintain.
